

VAC-CON
MORE **POWER** TO YOU

EQUIPPED *with* HIGH-PRESSURE WATER JET MACHINES *to* CLEAR ALL KINDS OF DEBRIS AND *blockages* FROM SEWER & STORM DRAINS

THE BEST MACHINE FOR THE JOB

Vac-Con's Hot Shot high-pressure water jet machines use the flushing action of high-pressure water to clear stones, bottles, cans, grease, sludge, and other debris from sanitary sewer and/or storm drain lines. Like all Vac-Con machines, Hot Shots are equipped with a non-corroding, polyethylene water tank. All controls are located at the hose reel operator station.

VAC-CON HOT SHOT

VEHICLE SPECIFICATIONS

WATER TANK

- > 10-year warranty
- > Construction: polyethylene, non-corroding with molded baffles
- > Tank thickness: 1/4" (6.35mm)
- > Hydrant fill hose: diameter: 2 1/2" (63.5mm), length: 25' (7.62m)
- > Capacities: up to 2,500 gallons
- > Additional features: water level sight gauge, tank access through inspection port

WATER PUMP & WATER PUMP DRIVE

- > Rating: 30-120 GPM 2,000-3,000 PSI
- > Standard: auxiliary gas engine
- > Optional: diesel auxiliary engine, premium chassis-driven single-engine hydrostatic drive

HOSE REEL

- > Location: front mounted for ease of operation
- > Capacity: up to 800' (243.8 m) of 3/4" (19.1 mm) hose or 600' (182.88 m) of 1" (25.4 mm) hose
- > Tilting: hydraulic assist
- > Controls:
 - > Engine on/off switch
 - > Engine throttle for water pump
 - > Hose reel in/out and speed control
- > Gauges: water system pressure gauge
- > Hand gun water system
 - > 25' (7.62 m) of 1/2" (12.7 mm) high pressure hose
 - > 20 GPM (75.7 LPM) @ 600 PSI (40 bar)

TOOL STORAGE

- > Tool trays deck-mounted above rear wheels

OPTIONS

- > Variable flow
- > Articulating hose reel
- > Cold weather water recirculation system
- > Side-mounted tool boxes
- > Air-purge system
- > Hose footage counter
- > Arrowboard
- > Strobe lights
- > Inspector Cam™
- > High-pressure spray bar
- > Complete selection of nozzles available
- > Consult factory for special options
- > Front or rear mounted hose reels

Vac-Con trucks are safe, durable, easy to operate and outperform the competition. A dedicated nationwide dealer network, backed by our **One Touch Customer Service** support program is there to deliver **More Power to You** with every machine.
